ADVENTURE × PARK
sayspor

WHO ARE WE...

SAYSPOR, leads many sport activities until 2006, now in Viaport as Via Adventure and Vialand Theme Park and Shopping Mall as ADVENTURE PARK.

WHO ARE WE...

- **ADVENTURE PARK has totally natural and adventurist activity units on huge recreation area, at Vialand Theme Park and Shopping Mall. Area project is planned on the natural fundament of ADVENTURE PARK with artificial lake.**

ADVENTURE PARK was opened by seven units which are:

- **S/W - Line Unit (Low, High)**
- **S/W - Flyfox (3 sections)**
- **S/W - Human Catapult**
- **S/W - Paintball**
- **S - Pony Club (Lake Tour, Manage Tour)**
- **S - Waterball**
- **S/W - Kid Adventure**

*Summer/Winter Seasons
*Just Summer Season

- **ADVENTURE PARK planned as serving all the seasons of the year, and to be continued to improve by new projects which will be make adventurists first shots.**

FLYFOX
Summer – Winter Seasons

- **This unit has natural ingredients and different parts by their complexity. Unit is especially good for firms as being a team work, getting the team power motivation and improvement of leadership practices.**

- **There are 70m, 80m and 100m flyfox units which are connected each other. First step is at main turret and goes to top turret on the center of the lake then goes for turn back to east turret. Flyfox lets high adrenalin and joyful road trip to applicants. No need to be experienced.**

LINE UNIT
Summer – Winter Seasons

- **This unit has natural ingredients and nine different parts by their complexity. Unit is especially good for firms as being a team work, getting the team power motivation and improvement of leadership practices.**

- **Line Unit is joyful activities which make people feel their adventurist soul and personal limits. It is very safety to do it at ADVENTURE PARK. Unit designed with the help of full capacity security systems and CE norms. Alternative variations and connectivity to Flyfox unit makes your dream adventure real. Unit has two floors and each has nine different parts. Group competitions can be possible. No need to be experienced.**

HUMAN CATAPULT
Summer – Winter Seasons

- **Human Catapult is a unit that two way special elastic band between two 14m bars. We trough you and you will be 0-100km between 1 seconds.**

- **All around the World, Human Catapult is getting known and being the favorite high adrenalin platform. Our Italian partner improved a system that called AES (Anti Elongation System) for special elastic bands and it is totally safety for applicants. Human Catapult is going to be a favorite game of all. It is a one person activity. No need to be experienced.**

PAINTBALL
Summer – Winter Seasons

- **ADVENTURE PARK gives you a service of paintball by different scenario areas. Safari Jeeps and a real plane makes realistic region of war. Minimum 8, maximum 14 people can fight by two teams.**

WATERBALL
Summer Season

- **This is the unit that person tries to stand and walk on the lake in 2m diameter air balloon. For your safe, balloon is connected to start point and for not to have non-air atmosphere unit can be use just for 2 minutes.**

- **No need to be experienced.**

24 06 2014

PONY CLUB
Summer Season

- **Between the high adrenalin and nature we will welcome you at calm and animal love. At this unit, there are three different kinds of horses. You and your children you chance to have "Riding Courses". You can ask for details to our team.**
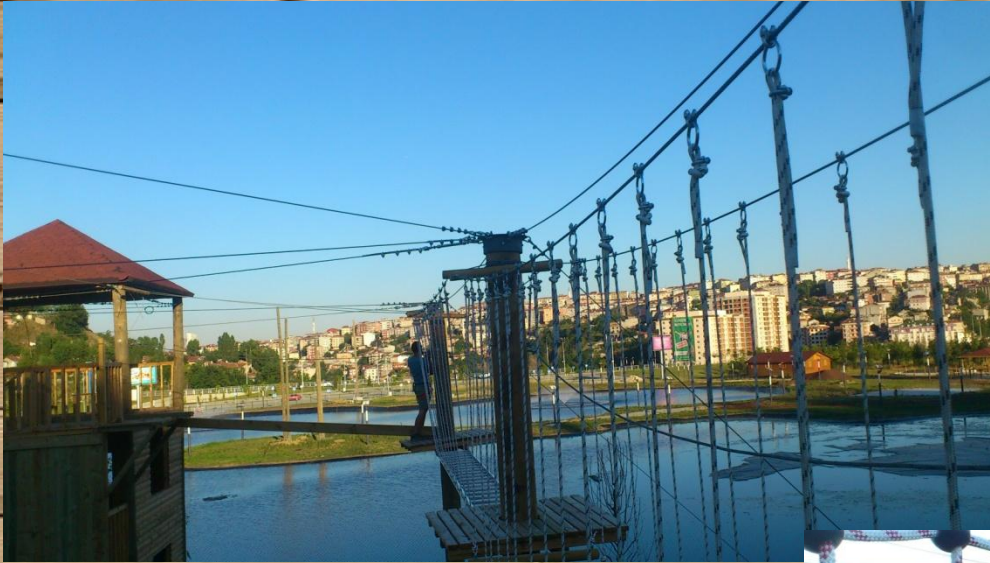

KID ADVENTURE
Summer-Winter Seasons

- **ADVENTURE PARK also has joyful and safety units for children. When you are in adrenalin at adult units your children can enjoy their time in mini line unit, hobby center and other games.**

- **These are units that designed for children can improve their self confidence and problem solving. In that unit including the paint all the staff is natural and safety.**
